

# Photo FESTIVAL symposium & open day

10-11 November 2018 at **VSS Creative Photo and Design College**

Open day student information will be given throughout day in printing room.

**An exciting 2 days of theoretical and practical photography:**

- References and inspiration looking at the arts.
- To produce a pre-conceptualised image using modern photo-techniques, effects and equipment.
- To present a well conceived image with tutorials using the latest of Lightroom Photoshop and plug-ins.
- The glamour portrait a look at trends and history. Practical portrait studio photography (in 2 studios) - shooting for the 'beauty' magazine cover - tutorial on glamour make-up.
- Fashion photography lecture look at modern trends - implement in 2 studios with fantastic models.
- All about Macro presented by Louis Pretorius, perhaps the best macro photographer in SA. Practical in VSS gardens on macro assisted by Louis Pretorius.
- Lecture on studio strobe photography.
- Catch the splash and food photography.

The **Photo Festival** is aimed at inspiring and getting the creative juices flowing by.

*All photos displayed on these pages were taken by Hein Waschefort and Louis Pretorius (course leaders) and feature some models to be used on course.*
